NOTES FROM THE TEACHER

March 2024

“When March winds blow”... a good time to talk and learn about the wind! We have an excellent, colorful, BIG book on kites. Experiencing this book will enhance our kite making activities and possible “test flights” in the park. We will be experimenting with the air around us.

Springtime will be here before the end of the month. Attention will be given to some special animals that hatch from eggs as we explore the many signs of new life and spring. During this time of the year we welcome parents to share a family tradition or read a special story to the children in class. We welcome any relevant books you'd like to share to learn more about our friends' traditions.

As we head into April we want to remind our parents of the Spring Break Closure in late March, early April. We welcome

our families to join us for a **Spring Hat Parade** beginning in front of the school—followed by a Spring Picnic in the park on **Thursday, March 28 at 11:45AM**. Please note that our school will close at 12:30PM that day for a half day in order to get a jump start on our spring cleaning!

IN SCHOOL RE-REGISTRATION:

We have completed our in school re-registration for the 2024-2025 school year. A copy of the Enriching Hour Preschool's 2024-2025 Admissions Agreement will be sent home the first full week of March. The signed 2024-2025 Admissions Agreement must be returned to school by March 22nd. All of our families will be accommodated with their requested class schedules for the new year once we receive their signed Admissions Agreement.

Since our main means of advertising is done through personal references, we appreciate any referrals or recommendations for new students that you may offer. We are grateful for all the continued excellent recommendations you pass on to new families in the area. Parents who come in to see the school are already aware of the exceptional, high-quality program offered at The Enriching Hour. Thanks for your input.

PARENT REMINDER

For the safety of your children and consideration for our business neighbors, DO NOT ALLOW your little ones to run up and down the walkway outside school. This is extremely dangerous as doors from the various businesses open outward and can injure a running child.

Opening Circle

The opening circle is one of the most important circles of the day. This is the initial greeting time for the children. During this time the teacher discusses some of the activities that will be offered throughout the day. We understand that sometimes morning schedules conflict with our opening time, but please try to have your child at school on time. We like to begin our day together!

Sign In & Sign Out State Requirement

All children must be signed in and out. A full signature is required - not initials or a scribble. Carpools must sign children in and out.

Parents will be required to pay the \$100.00 State Licensing Fee assessed for a child who is not signed in or out of school.
